

1 FOURTH FLOOR PLAN
A.6 Scale: 1/8" = 1'-0"

Exhibit "A"
4th Floor

PARTITION LEGEND

- 1. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 2. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 3. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 4. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 5. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 6. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 7. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 8. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 9. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 10. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 11. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 12. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 13. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 14. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 15. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 16. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 17. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 18. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 19. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
- 20. 1/2" THICK Gypsum Board (Type X) on 2x4 studs with 1/2" drywall on both sides and 1/2" drywall on the top and bottom.
